## BUTCHER FINED \$75 FOR BOB-VEAL SALE

Additional Counts Against Gorfain Not Pressed in Court

Charges of selling bob veal weighing less than 40 pounds were brought in police court this morning at the instance of the health department against Isadore Gorfain of the firm of Gorfain & Cohen of 94 Hartford avenue, and a fine of \$75 and costs was imposed after his counsel admitted the charge and asked that the court be lenient. Judge W. A. Allen was on the bench. Judge William F. Mangin prosecuted and lawyer Albert A. Greenberg represented the accused. The arrest of Gorfain followed an investigation by sanitary inspector Thomas Crowley of the health department after he found 120 pounds of bob veal in Salvatore Clanci's store on East Main street. Inspector Crowley requested that warrants be issued for the arrest of the meat wholesaler and Detective Sergeant Theodore Johnson placed him under arrest on four counts, three of which consisted of selling calves underweight and the other of selling unstamped meat. By entering a special plea from the municipal slaughter house, the accused had made him liable to fine under a special city ordinance providing for the stamping of all meats offered for sale. Prosecutor Mangin pressed but one charge today in court. Lawyer Greenberg in admitting the guilt of his client asked that his past good record be taken into consideration and that the court exercise leniency in passing sentence. Gorfain is an ex-service man, having been in France more than a year. He recently went into business with a Mr. Cohen, but it appears that the transaction for the sale of the bob veal to Clanci was one conducted by himself. The attorney requested that a substantial fine be handed down and remitted, to be paid if there was a repetition of the offense. His motion was not accepted by the court, however, when the prosecutor made known the facts in the case which would make possible the imposition of additional fines on other counts.

entering upon the last few weeks of their six weeks' stay with good records and a thorough enjoyment of the soldier life. There are 17 High school boys at the camp and one college youth. The younger ones are attending what is known as the Junior Basic course and the college man the Senior Advanced course. These from the High school are C. Ahern, C. Backgren, H. Clark, L. Fleischer, S. Googel, L. Gryzbowski, W. Koplowitz, R. Leghorn, J. Lin, J. C. MacArthur, V. Michalowski, S. Newton, G. Ostroski, J. J. Reynolds, W. Roysse and H. E. Whatnall. Of these about one-half were juniors at the High school, the remainder having been sophomores. Newton held a cadet commission as first lieutenant in the school corps. Maurice H. Lockwood, who has completed his junior year at the Connecticut Agricultural college, is the college representative. He held a cadet captaincy in his college. He was home on pass over the week-end. The camp closes July 28. A Social Leader and an influential citizen—and then "Red" Harrigan of the underworld—a picture of thrills and mystery at the Lyceum theater, Sunday, July 11th.

## CHAS. DILLON & CO. HARTFORD

### Millinery of the Better Kind

#### SPORT HATS-

#### SAILORS

Snappy sailors in white, black, and black and white. They are trimmed with chic bows of grosgrain ribbon and are on the whole the ideal all around type of Hat.

\$1.75, \$2.95 and \$5.95.

## RECKLESS DRIVING FINE IS REMITTED

Hopkins Guilty of Speeding on South Main Street

Because, in the opinion of the court, there were circumstances in the case which would permit of leniency, Judge E. W. Allen remitted a \$25 fine imposed upon Kenneth Hopkins this morning on charges of reckless driving. The accused was found guilty of failure to exercise due precaution in passing intersecting streets on South Main street, as was testified to by Motorcycle Policeman William Strolls, who made the arrest last evening about 8 o'clock. Officer Strolls was about to turn into South Main street from Ellis street when Hopkins' car darted by, he said, failing to blow a horn or give any other signal to indicate that he was about to cross the point of intersection. He estimated the car's speed between 35 and 40 miles an

hour. Following the driver, the policeman timed him from Edson street to Franklin square with the result that he found the accused to be going 30 miles an hour. No horn was used at any time, Officer Strolls testified. Hopkins and a friend, William Healy, pleaded the impossibility of going 30 miles an hour in the car. It is an eight-cylinder Hudson car which is out of repair, they claimed. Both estimated the speed to be between 12 and 18 miles an hour. The fine was remitted when Hopkins said he was a stranger, and it was testified that there are no street signs to indicate the proximity of intersecting streets along that highway. A request was made by the prosecutor for a continuance until Saturday morning in the case of Wilmer H. Binn, charged with reckless driving and passing a standing trolley car. Binn was arrested last week. The case was ordered continued.
